What you need to know to travel:

- Don't forget to check in for your flight(s) 24 hours before your trip on southwest.com or your mobile device.

- Southwest Airlines does not have assigned seats, so you can choose your seat when you board the plane. You will be assigned a boarding position based on your check-in time. The earlier you check in, within 24 hours of your flight, the earlier you get to board.
- **No Show Policy:** If you are not planning to travel on any portion of this itinerary, please cancel your reservation at least 10 minutes prior to scheduled departure of the flight. Customers who fail to cancel or change their flight at least 10 minutes prior to travel and who do not board the flight, will be considered a no show, and all remaining funds on the reservation will be forfeited.
